Education

University of Wisconsin-Madison

Sep. 2023 – Expected May 2027

Bachelor of Science in Computer & Data Science

Madison, WI

- Scholarship: Chick Evans Caddie Scholar – *full tuition & housing scholarship*

Relevant Course Work

Data Science Programming (Python), Discrete Math, Machine Organization (C/Assembly), Linear Algebra

Leadership / Involvement

University of Wisconsin Evans Scholar House

December 2024 – Present

Vice President of New Scholars

- Onboarded 18 first-year scholars, creating an orientation that blended WGA guidelines with personalized mentorship.
- Led six-week progress reviews to build academic readiness and smooth the transition to college.
- Fostered a collaborative community by clarifying policies, resolving conflicts, and bridging students with leadership.

Projects

Food Insecurity & Diabetes Risk Analysis | *R, tidyverse, ggplot2*

August 2025

- Analyzed 100K+ CDC NHANES responses, isolating youth 12–19 to assess links between food insecurity and diabetes.
- Conducted two-sample proportion tests with 95% CIs, validating findings through publication-quality visualizations.
- Developed reproducible workflows and visualizations in R Markdown, demonstrating end-to-end analysis and reporting.

Personal Portfolio Website | *HTML, CSS, JavaScript* | *solomonzimmermann.com*

- Built and deployed a responsive portfolio with clean HTML/CSS and optimized assets and metadata for performance.
- Uses GitHub version control to manage updates and continuously improve site functionality.

Experience

Ozaukee & Milwaukee Country Club

May 2021 & May 2025 – Present

Honor Caddie

Mequon & Milwaukee, WI

- Translated technical golf knowledge into clear, actionable advice for diverse clients.
- Guided player strategy and decision-making across 220+ rounds, adapting to dynamic course conditions and skill levels.
- Built lasting member relationships through high-quality service, earning repeat assignments and referrals.

Chasers 2.0

January 2024 – Present

Bartender, Bouncer, Barback & Kitchen Staff

Madison, WI

- Delivered fast, high-quality service in a 300+ guest venue, maintaining safety standards, resolving conflicts, and supporting nightly operations.
- Trained new bouncers and barbacks, providing instruction and feedback to build a dependable, well-coordinated team.

Kappa Kappa Gamma

August 2024 – Present

Sorority Kitchen & Wait Staff

Madison, WI

- Supported preparation of 600+ weekly meals for 60 members while maintaining consistency and cleanliness.
